Summer Term

5th May 23

Head Teacher's Message

Dear Parents/Carers,

This morning I met with three of the great women from 'Friends of Argyle.' They shared with me their aims and ambitions for community events this term and the next academic year. We are so lucky to have some great leaders who really do 'Go the extra Mile for Argyle' - putting forwards their own time, energy and at times money to lead community events.

I invited our Friends of Argyle representatives to come along to our Governors meeting with parents on Tuesday 16th May at 9 am so that they can share their plans with you all and remind you how to get involved. I hope that you all have this date in your diaries and that there will be a great turn out for this conversation with our governing body.

Thank you to all parents who supported this afternoon's lovely Coronation celebration. The children looked lovely and really enjoyed the dances. I hope that you have plans to make the most of this extra special bank holiday weekend.

Jemima Wade, Headteacher

Coronation Day celebrations at Argyle

This afternoon, the pupils at Argyle celebrated the Coronation of the new king with a themed lunch. After lunch the children performed traditional dances for the King and Queen.

Each pupil has been given a commemorative coin in a keepsake box and a personalised note to remember the significance of the coronation.

Please ensure that the children see some of the Coronation footage over the weekend.

Football Tournament

Yesterday, some of our keen Year 3 and 4 footballers took part in a Camden interschool football competition. The girls played heroically and came third out of 8 schools -WELL DONE. The boys meanwhile excelled and came TOP OF THE QUALIFIERS and will be competing again next Tuesday. Well done all for your sporting attitudes, great teamwork and 'Dogged Determination'.

Year 1 - Deepening Understanding of the UK

UK banquet - In Year 1 children have learnt how four countries make the UK, England, Scotland, Wales and Northern Ireland. To celebrate the King's Coronation the children have made the following dishes: Cucumber sandwiches on white crust-less bread; smoked salmon and cream cheese sandwiches; scones with clotted cream and jam; shortbread biscuits and potato cakes. Can you guess from which country each of these dishes come? Hint - we did not make for one country as we had it for Coronation lunch dessert today.

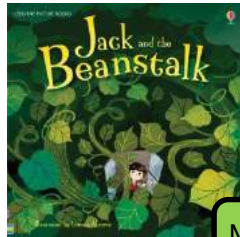

Going around the world - Children used their own passports and boarding passes to board Argyle Airline to fly around the World. They went through security to board the plane and follow flight instructions. After landing the children explored different artefacts from different parts of the world.

EYFS at Argyle Primary School - Reception

Although this week has been a short school week for the children, we have still managed to cover a lot of learning in the Early years. In Reception, the children have been reading the story of 'Jack and the Beanstalk' and learning to retell it off by heart. They have been using puppets to act out

the story, then drawing their own castles and beanstalks and writing sentences alongside.

You naughty boy says **Velan**

Mum threw the beans out of the window. - **Noah**

Once upon a time there was Jack and Jacks mum. - **Zayaan**

In Maths this week, the children have been learning their number bonds to ten. This is a critical aspect of maths that forms the building block of their mathematical understanding. You can help your child to learn their number bonds by playing Numbots online. Please talk to the class teacher if you do not know your child's log on details.

EYFS at Argyle Primary School - Nursery

In Nursery the children began the week by looking at a map of the world and talking about how humans live on land (as do many other animals), but some animals live in water. After reading the story of 'The Very Noisy Foxes', the children learnt more about foxes and their habitat and how it has changed over the years. The children then had a go at sorting a range of animals into farm animals, wild animals and animals that can be pets.

This week the children were visited by the Foundling Museum and met two bird puppets called Chit and Chat. The children worked together to find materials that they could use to create a nest for Chit and Chat and their baby chick. After collaborating on one large nest, the children had a go at making their own individual nests out of clay and leaves.

Coming up at Argyle - Summer Term

All entries on the calendar have been sent via ParentHub, please check for more information.

May 2023

Monday 8th	School closed - CORONATION DAY KING CHARLES III
